

Add or Subtract?

Write the addition or subtraction sentence. Solve.

1. Li has 8 pens.
She bought 7 more.
How many pens
does she have now?

$$\underline{8} \quad \boxed{+} \quad \underline{7} = \underline{15}$$

- Brad had 15 pens
He gave away 7.
How many pens
does he have left?

$$\underline{\quad} \quad \boxed{-} \quad \underline{\quad} = \underline{\quad}$$

-
2. Marco had 9 shells.
He found 9 more.
How many shells
does Marco have now?

$$\underline{\quad} \quad \boxed{+} \quad \underline{\quad} = \underline{\quad}$$

- Maria had 18 shells.
She gave 9 to her
friends. How many shells
does Maria have now?

$$\underline{\quad} \quad \boxed{-} \quad \underline{\quad} = \underline{\quad}$$

-
3. Tamika had 9 stamps.
Then she got 5 more.
How many stamps
does she have in all?

$$\underline{\quad} \quad \boxed{+} \quad \underline{\quad} = \underline{\quad}$$

- Gino had 14 stamps.
He gave 5 away. How many
stamps does he have left?

$$\underline{\quad} \quad \boxed{-} \quad \underline{\quad} = \underline{\quad}$$
